**KAU, ERVIN YAU TET KEKOA**, December 17, 1940, to April 5, 2013 It is with the bittersweet mixture of sadness and joy that we say goodbye to the man who was a bigger than life presence in our lives; a man who gave us laughter, a love of sports, and the drive to reach our dreams and accomplish our goals. He worked his way through college with Grolier Publishing and Spencer International, and then used his degree in business to become personnel manager at DHL, Duty Free Shoppers, Pacific Insurance and Kamehameha Schools before reaching his dream as the Athletic Director for Kamehameha Schools. His love of sports would see him coach alternately for 50 years in baseball, basketball and football on both the mainland and here in Hawaii. He would lead the Enchanted Lakes Athletic Club sports program in Kailua and then

Pony Baseball on both state and regional levels, as well as the Interscholastic League of Honolulu and Hawaii High School Athletic Association. He was also the past president of the board of directors for the National Interscholastic Athletic Administrators Association. He was always willing to lend his time and talents to countless charities, committees and organizations throughout Hawaii and the mainland. We will miss his playful songs, ready smile, and insights into not only our sports lives, but our lives in general. Erv was born in Honolulu, Hawaii, the son of David and Edith Kau. **KELLEY, PATRICIA**, born November 13, 1937; Honolulu, Hawai'i Died: November 17, 2013; Honolulu, Hawai'i trying to capture the life of Patricia Kelley, an independent woman of substance who led a full and vibrant life, is like trying to capture a rainbow. She cherished growing up in Hawai'i, taking delight in its wonders, especially the rainbows that often fill Hawai'i's skies. She swam and surfed the waters off Diamond Head and Waikiki, often in the company of the family's cocker spaniels, Honey, Chami and Pilikia. Over the years this fabulous storyteller captivated generations of listeners with her stories and memories. Some of her most vivid recollections and dramatic, heartfelt stories related to the World War II era, including the bombing of Pearl Harbor, leaving Hawai'i for California and returning to the island by ship. She long-remembered the greeting of the island's sweet aroma as the ship approached Honolulu. She again was home. Homecomings filled her life, for Pat loved to travel both as a passenger and as a licensed pilot who flew small airplanes. She enjoyed several air races, and completed the cross-country Powder Puff Derby in 1972. Her journeys took her to all seven continents, making it to Antarctica, the last on her list, when she was 70. She often hosted others on these adventures, expanding their horizons so they, too, could experience some of the wonders of the world. Early on, Pat displayed her talent for arts and crafts. Sewing, especially, was a favorite pastime. In high school she won an award from a major pattern company for a dress design, and over the years, her daughters and other girls adored the creative dresses she made for them. Many have wrapped themselves in her quilts of love. She also took the time to teach others to sew and quilt. In her youth, she worked with her parents and older siblings in the growing family hotel business (Outrigger Hotels and Resorts), doing everything from working the front desk, to cleaning rooms to taking reservations. Pat's grit, talent and determination were key attributes to her success in the business world. After working for Trade Wind Tours at the Outrigger Reef Hotel, Pat proposed to her father that she wanted to start her own business, which she did by paying him \$100 monthly rent for the chance to set up her own "desk"- a folding card table – in one of the hotels. From there she built two successful businesses, Pat Kelley Tours and Pat Kelley International Travel, eventually selling them to the family organization. Along the way, she helped many others start and succeed in their own businesses. Education, both in the classroom and in the greater world, was important to Pat. She attended Punahou School, St. Helens Hall (Portland, OR), Stephens College (Columbia, MO) and Santa Rosa Junior College (Santa Rosa, CA). A strong believer in life-long learning, she supported the education of several people and established the Gerald "Pete" Petrequin Scholarship at Punahou School, named after her beloved

husband. Long after her formal education was complete, Pat continued to challenge herself to explore and learn. This storyteller, artist, quilter, businesswoman, pilot, traveler, licensed minister, life-long learner, daughter, sister, aunt, mother, grandmother, and friend passed peacefully while the sky was divinely filled with vibrant sunset colors – a fitting tribute to this beautiful woman who added so much color to the lives of others. She encouraged people to “Follow the Rainbows” and delighted in creating rainbow experiences for them. Pat was predeceased by husband Gerald “Pete” Petrequin, and parents Roy C. and Estelle L. Kelley; and is survived by her daughters Michelle M. Norstrom and Estelle M. Kelley; son-in-law, Jason M. Weber; grandchildren Michael Norstrom and Mackenzie Norstrom; brother Richard R. Kelley; sister Jean E. Rolles; many nieces and nephews; several hana’i children; and her beloved pet dog, a Corgi named “King Tut.” If you wish to honor her memory, please send donations to the Patricia Kelley ’55 and Gerald “Pete” Petrequin Scholarship Fund at Punahou School. Any memorials and private ceremony pending. Temporary mini-memorial and public guest book located in the Outrigger Reef Hotel lobby. Public Web Tribute accessed at <http://saturdaybriefing.outrigger.com/featuredpost/tribute-to-pat-kelley>. [Honolulu Star-Advertiser 26 November 2013]

**KENDRO, REBECCA ANNE**, February 12, 1940 – January 30, 2013 Rebecca Anne Kendro was born in Mishawaka, Indiana, to Gene and Martha Nicolini. Growing up in the Michiana area with her five brothers and sisters, she spent many a day at the family cottage on Diamond Lake where her love of water was established as a true Aquarian! A graduate of Mishawaka High School, she went on to Indiana University where she met her future husband, Ken Kendro. Married on June 6, 1959, they soon moved to Indonesia where Noni was born in Bandung, Indonesia. In 1962, Becky and Ken moved back to Indiana and Kurt was born at St. Joseph's hospital in the middle of a Mishawaka blizzard! Soon after that blizzard and many more to follow, they decided they needed to be in year-round warm temperatures. In 1966, they put the Midwest winters behind them, and moved to the beautiful beaches and warm temperatures of Kailua where they found the Aloha spirit! Becky fell in love with the splendor of the beaches and it would soon become a favorite spot for picnics and family gatherings. In 1967, Chris was born at the old Kaiser Hospital and Becky started work at the Hawaii Medical Association, and worked her way up from a clerk, legislative lobbyist, office manager, to Executive Assistant, Becky had a tremendous impact at the legislature and the medical community of Hawaii. Becky later continued her work in supporting the medical community at Pacific Health Research Institute before finally retiring to spend more time with friends, family and travel. Becky had an incredible talent with sewing and crafts. Her most special and cherished moments were those spent with friends of the Fibre Guild and Hui, using beads or anything they could design! She loved the fine arts, from the opera, musicals, and dance to Indonesian Gamelan! Her passion for travel took her around the world with friends and family. **KRUCKY, REID HARRISON, born May 1, 1996, died April 17, 2013** in a tragic accident near his home. Born in Chisinau, Moldova, he was welcomed into the Krucky family and moved to Hawaii in October 1997. In 1999 the family relocated to Bainbridge Island, WA where Reid attended Blakely Elementary School. It was there he developed a love for the outdoors including skiing, hiking, crabbing, boating, fishing and biking. In July 2003, he moved back to Honolulu where he attended Kamiloiki School, Niu Valley Middle School and was currently enrolled as a sophomore at Kaiser High School. He played Junior Varsity football for Kaiser, #17. As a teenager, he took up paddle boarding, snowboarding, basketball, and anything involving Hawaii’s beaches. Reid had fun with dance, music and filming. He became accomplished in whatever sport or activity he tried. Reid had a passion for outdoor adventure. Although he liked

school, his favorite time of year was, not surprisingly, summer vacation when he could be found hiking on Mt. Rainier and inner-tubing on Lake Chelan in Washington, crabbing at Glebe Harbor in Maryland, or fishing in upstate New York. Reid was adventurous and fun loving and no antic was too silly, especially if it tormented his constant companion and older brother, Kyle. He always had a smile that he shared with everyone. His family and friends will forever be grateful for the joy he brought into our lives. We will miss him every day. Reid is survived by an extended family who loved him deeply, including his mother Dana Anderson, his father Anton Krucky, his stepmother Julie Krucky, his stepfather Moses Garcia, his brother Kyle Krucky, his stepsisters Tonia Smith, Giselle Garcia, Ariel Garcia, and Natalya Garcia, his stepbrothers Dr. Kekoa Smith, Scott Smith, Junior Farm, Ulumano Farm and Jude Farm, his grandmothers Patricia Goetz and Jackie Anderson...and numerous aunts, uncles, cousins, nieces, nephews, and his beloved Golden Retriever-Junior. In lieu of flowers, donations may be sent to the Reid Krucky Memorial Fund c/o the Hawaiian Humane Society, 2700 Waiialae Avenue, Honolulu, HI 96826. Reid lives on through the miracle of organ donation and a celebration of Reid's life will take place on Sunday, April 28, City Church of Honolulu located at the Honolulu Central Seventh-Day Adventist Church, 2313 Nuuanu Avenue. Viewing at 2:00 PM, service at 3:00 PM. In Reid's honor, attire is casual or board shorts. For a look at Reid's life, you may go online to Borthwickoahu.com. [Honolulu Star-Advertiser 24 April 2013]
